3	21/02/2022	National Mother Language Day

Vasanth Panchami :

No. of Students Participated:

No. of faculty involved:

Vasant Panchami, also called Sarasvati Puja in honour of the Hindu goddess Sarasvati, is a festival that marks the preparation for the arrival of spring. The festival is celebrated by people of Dharma religions in the Indian subcontinent and Nepal in different ways depending on the region. Vasant Panchami also marks the start of preparation for Holiya and Holi, which take place forty days later. The Vasant Ottava (festival) on Panchami is celebrated forty days before spring, because any season's transition period is 40 days, and after that, the season comes into full bloom.

Saraswathi Puja:

No. of students participated:

No. of faculty involved:

Vasant Panchami is a festival of Hindus and Sikhs that marks the beginning of preparations for spring season. It is celebrated by people in various ways depending on the region. Vasant Panchami also marks the start of preparation for Holiya and Holi, which occur forty days later.

1. For many, Vasant Panchami is the festival dedicated to goddess Sarasvati who is their goddess of knowledge, language, music and all arts.
2. She symbolizes creative energy and power in all its form, including longing and love.

3. The season and festival also celebrate the agricultural field's ripening with yellow flowers of mustard crop, which Hindus associate with Sarasvati's favourite colour.

4. People dress in yellow saris or shirts or accessories, share yellow-coloured snacks and sweets.

5. Some add saffron to their rice and then eat yellow cooked rice as a part of an elaborate feast. this day by sitting with babies and young children, encouraging their children to write their first words with their fingers, and some study or create music together. The day before Vasant Panchami, Sarasvati's temples are filled with food so that she can join the celebrants in the traditional feasting the following morning.

Many educational institutions arrange special prayers or pujas in the morning to seek the blessing of the goddess. Poetic and musical gatherings are held in some communities in reverence for Sarasvati.

National Mother Language Day:

No. of students participated: 200

No. of faculty involved: 10

Aim & Objectives:

This day is worldwide annual observance held on 21 February to promote awareness of linguistic and cultural diversity and to promote multilingualism. Mother Language Day is part of a broader initiative "to promote the preservation and protection of all languages used by peoples of the world". Since, 2008 it is also being celebrated as International Mother Language Day.

DEPARTMENT OF COMMERCE

GUEST LECTURE :

BYG. MOTHILAL, Prof. Of Commerce,
Pondichery University, Pondichery

Topic: Accounting Standards

Date:11-02-2022

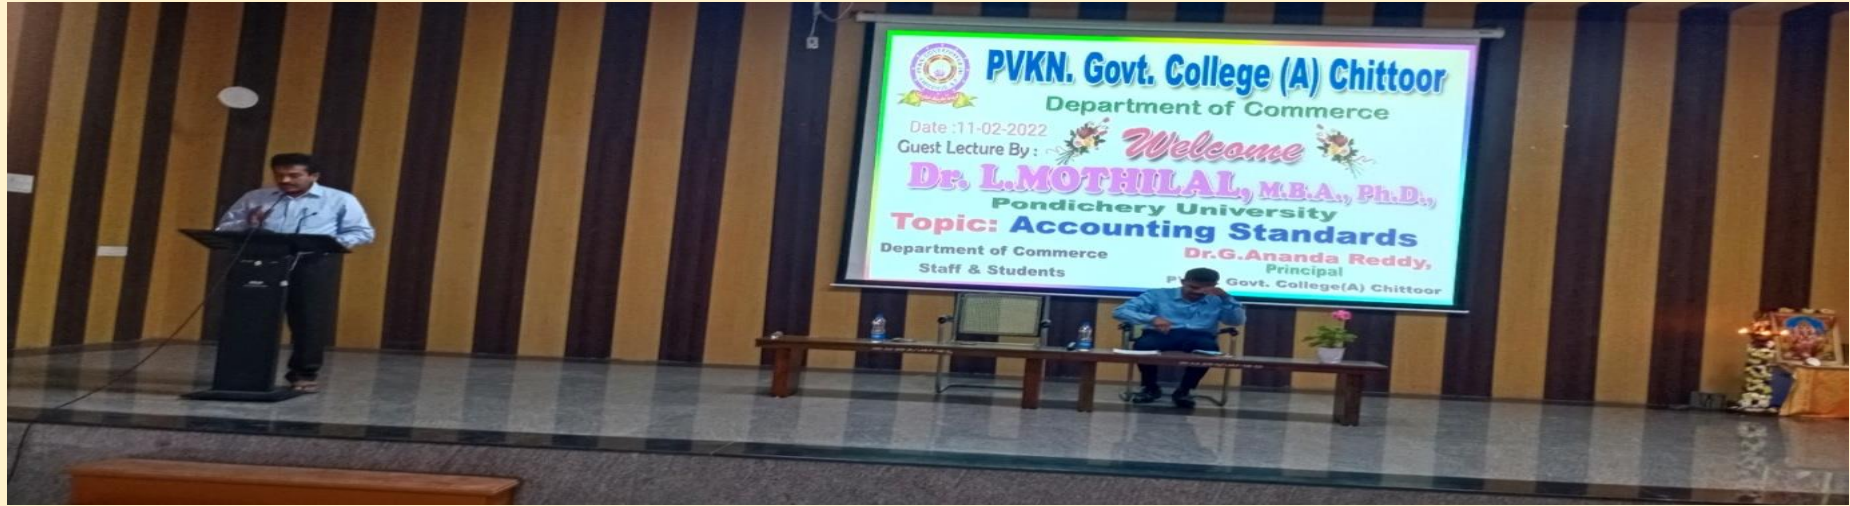

Objectives:

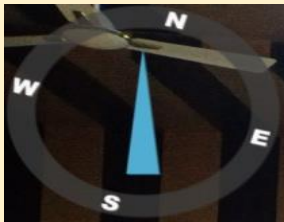

1. To give awareness on accounting standards
2. To motivate the students, learn of accounting standards
3. To implement accounting standards in practical business

Accounting standards improve the transparency of financial reporting in all countries. It relates to all aspects of an entity's finances like assets, liabilities, income, expenses and equity. Banks, investors, and regulatory agencies count on accounting standards to ensure information about a given entity is relevant and accurate. It brings transparency by enhancing the international comparability and quality of financial information,

enabling investors and other market participants to make informed economic decisions. Accounting Standards strengthen accountability by reducing the information gap between the providers of capital and the people to whom they have entrusted their money.
