I. STUDENTS FEEDBACK FORM ON CURRICULUM PVKN GOVT. COLLEGE (A), CHITTOOR

Responses And Analysis Report Submitted To Academic Council And Controller Of Examination Through IQAC

Summary and Suggestions

Overall Performance: The college has performed exceedingly well across most areas, with satisfaction rates exceeding the 85% standard level in 15 out of 16 aspects evaluated. The only area falling short is the provision of scholarships and monetary aid, which achieved 80%.

Strengths:

- High satisfaction with course relevance, skill development, and research orientation.
- Positive feedback on the CBCS curriculum structure and evaluation pattern.
- Excellent academic environment and teaching methodology.
- Strong adherence to the academic calendar and well-appreciated library and lab facilities.
- Effective grievance redressal system and college information system.
- Good encouragement of literary, cultural, and sports activities.
- Strong student support services.

Areas for Improvement:

- **Provision of Scholarships and Monetary Aid:**
 - **Current Performance:** 80%
 - **Suggestions:**
 - Increase the availability and accessibility of scholarships.
 - Enhance communication about existing financial aid options.
 - Explore partnerships with external organizations for additional funding opportunities.
 - Implement a feedback mechanism to identify students' financial needs and address gaps in support.

By focusing on improving the provision of scholarships and monetary aid, the college can elevate its overall performance to meet or exceed the 85% standard across all areas. This improvement will ensure that financial constraints do not hinder students' educational experiences and outcomes.

II. TEACHER'S FEEDBACK FORM ON CURRICULUM

P.V.K.N.GOV.T. COLLEGE(A), CHITTOOR

Responses And Analysis Report Submitted To Academic Council Through IQAC

Summary and Suggestions

Overall Performance: The feedback from teachers indicates high satisfaction across all evaluated areas, with all aspects significantly exceeding the standard level of 85%. This reflects positively on the curriculum, teaching methodologies, and support provided by the college.

Strengths:

- The course structure aligns well with program outcomes and specific outcomes.
- The course content is highly relevant and matches the needs of all learners.
- Teachers find it comfortable to adopt new pedagogical techniques within the stipulated time.
- The college facilitates ICT-based teaching effectively.
- Internal assessments are beneficial and enhance student learning levels.
- The evaluation of semester-end examinations is fair, with acceptable variation from internal assessments.

Suggestions for Further Improvement:

1. Course-Specific Enhancements:

- **Observation:** Teachers suggested inclusions or replacements in the course content to better enhance student competencies.
- **Action:** Gather detailed suggestions from teachers and incorporate feasible changes into the curriculum during the next review cycle. Conduct focus groups or workshops to discuss and implement these changes effectively.

2. Continual Professional Development:

- **Observation:** Although teachers are comfortable with new pedagogical techniques, continual professional development opportunities can keep them updated with the latest teaching methods.
- **Action:** Organize regular training sessions and workshops on innovative teaching practices and technologies. Encourage participation in national and international conferences to expose faculty to global teaching trends.

3. Enhanced Use of ICT:

- **Observation:** Despite high satisfaction with ICT facilitation, continuous updates and maintenance of ICT infrastructure can further enhance teaching experiences.
- **Action:** Invest in modern ICT tools and provide technical support to ensure seamless integration of technology in teaching. Introduce advanced training sessions to help teachers make full use of available ICT resources.

4. Internal Assessment Techniques:

- **Observation:** While internal assessments are beneficial, there is always room for improvement in assessment techniques to further enhance learning levels.
- **Action:** Review and update internal assessment methods periodically. Include diverse assessment techniques such as project-based learning, peer assessments, and formative assessments to provide comprehensive feedback to students.

5. Evaluation of Semester-End Examinations:

- **Observation:** The evaluation process is fair, but maintaining transparency and consistency is crucial.
- **Action:** Standardize evaluation criteria across departments. Provide training for evaluators to ensure fair and consistent grading. Implement a feedback system for students to voice their concerns regarding the evaluation process.

Monitoring and Evaluation:

- Conduct regular feedback sessions to gather ongoing input from teachers.
- Review and analyse feedback data bi-annually to track progress and identify new areas for improvement.
- Maintain open communication channels between faculty and administration to address concerns promptly.
