VISION

"Aims to Lead Social Progress by promoting Equality and Holistic Education."

MISSION

- *Offering a curriculum that equips students for academic and professional success.*
- *Creating an inclusive environment that values diversity, equality, and respect.*
- *Providing co-curricular activities to enhance learning, critical thinking, and teamwork.*
- *Encouraging extracurricular activities that foster creativity, leadership, and community involvement.*

- Single Major System (2023-24) – Implemented as per Andhra Pradesh Government policies, offering 15 Major Subjects.
- Blended B.Sc. in Collaboration with an Australian University – This initiative enables students to experience international academic exposure.
- Computers Program with S.V. University – Enhancing technical and analytical skills among students.
- NEP-2020 Implementation & Curriculum Reforms – Integration of multidisciplinary learning, skill enhancement, and research components.
- Skill-Based Certificate & Value-Added Courses – Short-term courses have been introduced to improve students' employability.
- MOUs with Industry & Academia – Agreements with industries, research institutions, and universities ensure students receive real-world training.
- Yoga Hall & Pyramid Kendra – Established by alumni and the Walkers Association to promote mental and physical well-being.
- E-Content Development & Digital Learning Advancements – Faculty members are actively involved in creating online learning materials, video lectures, and digital repositories.
- Academic & Green Campus Audits – Regular internal and external audits ensure quality improvement and environmental sustainability.
- Increased Research Publications – Faculty members have contributed significantly to UGC-Care Listed Journals and international publications.

OBJECTIVES

- Academic Excellence: Ensure students to graduate with a strong foundation of knowledge and skills in their chosen fields by providing a rigorous and comprehensive curriculum.
- Inclusive Community: Foster a welcoming and inclusive environment that celebrates diversity, promotes equality and instills respect for all members of the college community.
- Holistic Development: Allow students to develop their leadership skills, critical thinking and problem solving through active participation in co-curricular activities
- Active Citizenship: Participate in extracurricular activities to empower students to pursue their passions, contribute meaningfully to the community, and become responsible and engaged citizens

A Report on TOTs on English Medium of Instruction, Proficiency in English by Master Trainers

Commissionerate of Collegiate Education (CCE) organized non -residential **TOTS** on English medium of Instruction, proficiency in English by Master trainers trained at EFLU for Government Degree College Lecturers from 05-06-2023 to 24-06-2023 to implement state government policy on English medium from primary to UG programs. The programme was conducted in two batches in NRC - P.V.K.N Chittoor from 05-06-2023 to 17-06-2023. Each batch was given six days training programme. The honorable commissioner was in the inaugural ceremony of the training programme through online. The training was scheduled by 4 sessions daily and 3 sessions were given by EFLU trainers and one session was given by Master Trainers trained at EFLU. A test was conducted for each batch after successful completion of the training. CCE allotted Dr. P. Babu, Lecturer in English as the coordinator and 3 master trainers for NRC P.V.K.N Chittoor : 1. Dr. P Mallika Bramaramba Devi, Lecturer in Physics, P.V.K.N Govt. Degree College (A), 2. Dr. P. Venkatesu, Lecturer in Physics, Govt. Degree College, Vedurukuppam and 3. T. Narendrababu, Lecturer in Computer Science, Vedurukuppam. The purpose of this program was to train participants in imparting excellent skills in English and its role in the government system. The training methodology was interactive as the trainers engaged participants in discussions and queries. These discussions and interactive sessions supported the participants in developing their communicative skills. Therefore, the programme is helpful to develop our language skills.

Department of Mathematics TOT - 05-6-2023 to 10-6-2023

Empowering Women - Promoting Period Hygiene through Sanitary Pad Distribution in Various villages:

In India, millions of women and girls face numerous challenges when it comes to managing their menstrual health and hygiene, particularly in village areas. Limited access to affordable sanitary products, inadequate sanitation facilities, and cultural taboos surrounding menstruation often result in poor menstrual hygiene practices, which can have adverse effects on women's health and overall well-being. In order to Emphasizing the importance of usage of sanitary pads and promoting education about period hygiene, Women Empowerment Cell of **P.V.K.N. Govt. Degree College** conducted awareness on usage of sanitary pads and distribution of sanitary pads by the students in the

Since then, the day is celebrated in the Kargil-sector and the national capital New Delhi as 'Kargil Vijay Diwas' to rekindle the pride and valor of the soldiers who took part in Operation Vijay. tree plantation programme was organized to commemorate their sacrifices and contributions. tree plantation programme was first initiated by our respected principal Dr G jeevan jyoti madam and also 30 NCC cadets and 15 NSS Volunteers , associated ncc officer Lt.A ramesh and NSS programme officer Dr. P bhanu Prakash are involved in tree plantation programme at P.V.K.N Govt College premises in memory of kargil heroes and respected sacrificed their lives.

7.Hands-on Training on ChemsSketch and Chemdraw Chemistry Software

On 28th July, the Department of Chemistry, PVKN Govt. College (A), Chittoor inaugurated 30 hours Add-on Course in “Hands-on training on ChemSketch and Chemdraw Chemistry Software”.

This course aimed at imparting skills on use of open-source chemistry tools like ChemSketch that are essential for any student with chemistry as a major subject.

Dr. P. Jeevan Jyoti, Principal, PVKN Govt. College (A), Chittoor addressed the chemistry students about the importance of ChemSketch/ChemDraw software for drawing chemical structures of molecules. Dr. P. Bhanuprakash, course coordinator explained the students that the course will be useful to understand the three-dimensional molecular structure of chemical

compounds, draw chemical equations, chemical reactions, reaction schemes and mechanisms more effectively. Dr. Mohano Behara-Academic Coordinator addressed the students that the course will boost learning skills among the students through utilization of Chemistry software. Dr. L. Md. Bakshu-Controller of Examination opined that the add-on courses like this will create interest in research among the students. Dr. C. Meera Saheb-Vice-Principal and Teaching staff of the Chemistry department conveyed best wishes for the students who have registered for the course.

World Aids Day

35 A Coy P.V.K.N Govt College (A),NCC cadets have taken out a impressive rally in the greams pet area in chittoor town here on december 1stto mark the world AIDS day celebrations. Our College Principal Dr.Jeevan Jyoti garu flagging off the rally has stressed the need for creating awareness among the people especially in the youth on the prevention of dreaded HiV/AIDS.

MERI MAATI MERA DESH-PANCH PRAN PLEDGE

Under the banner of Azadi ka Amrit Mahotsav (AKAM), the NSS units of P.V.K.N. Govt. College (A), Chittoor organized a Panch Pran pledge-taking ceremony to celebrate India's 77th year of Independence. The event, themed "Meri Mati Mera Desh" is a culminating event of AKAM which aimed to pay tribute to the 'Veers' who have made the supreme sacrifice for the country and to fulfil the dreams of the freedom fighters by the year 2047- the 100th year of India's Independence

Dr. P. Jeevan Jyoti- Principal of the college provided valuable insights into the significance of the Panch Pran pledge and emphasized the commitment to the five key actions. Panch Pran of Amrit Kaal (2022-2047): 1. Goal of Developed India 2. Remove trace of colonial mindset 3. Take pride in our roots 4. Unity 5. Sense of duty among the citizens.

Panch Pran Pledge:

- I Pledge to play my part in building a developed India
- I Pledge to remove any trace of colonial mindset
- I Pledge to take pride in promotion & preservation our rich cultural heritage
- I Pledge to strive for the Unity and solidarity of the Country
- I Pledge to fulfil my duties and responsibilities towards my nation.
- I Pledge to honour the Sacrifice of our country's brave hearts and devote myself to nation's defence & progress.

Dr. P. Bhanuprakash, NSS Programme officer delivered the Panch Pran pledge. During the ceremony, students and faculty members held a symbolic gesture by taking soil(matti) in one hand, pledging their dedication towards the development and progress of the nation.

5. Brief Report:

The International Day of Democracy owes its existence to the Universal Declaration on Democracy, which was adopted on September 15, 1997 by the Inter-Parliamentary Union (IPU), which is an international organization of national parliaments. In the following years, Qatar led efforts to promote an International Day of Democracy. Finally, on November 8, 2007, the day was established as the UNGA adopted by consensus the resolution titled “Support by United Nations system of efforts of governments to promote and consolidate a new or restored democracies.”

The IPU suggested that the occasion be celebrated on September 15 to commemorate the adoption of Universal Declaration on Democracy 10 years prior. The first such celebration took place in 2008.

Programme outcomes:

This year's theme for the International Day of Democracy, “Empowering the next generation,” focuses on young people's essential role in advancing democracy and ensuring that their voices are included in the decisions that have a profound impact on their world.

Transform Yourself to Transform Nation-The True Goal of Life”

(Lightening of the lamp and serene prayer)

AMRIT KALASH YATRA

(13-10-2023) & (19-10-2023)

NSS Unit of PVKN Govt. College (A), Chittoor organized the Amrit Kalash Yatra, a key part of the 'Meri Maati Mera Desh' campaign. The main aim of the event was to awaken the spirit of patriotism and undying love for the motherland in every student and faculty of the college. College faculty, teaching as well as non-teaching, NSS volunteers and college students, poured mitti and rice collected from different villages/localities in the college's "Amrit Kalash". The entire program was organized under the able guidance of Dr P. Jeevan Jyoti, Principal of the College. While speaking on the occasion, she articulated that the event was a great opportunity for the students to know the rich cultural heritage that India possesses. The event was made even more impactful by the participation of more than 200 enthusiastic NSS volunteers and students who ardently contributed to its success. Some portion of the collected soil in "Amrit Kalash" is used to plant saplings in the college campus on 13th October.

NATIONAL UNITY DAY

The birth anniversary of Sardar Vallabhbhai Patel, the first home minister of Independent India—is celebrated as Rashtriya Ekta Diwas. On 31st October 2023, the NSS unit of PVKN Govt. College (A), Chittoor observed Rashtriya Ekta Diwas or National Unity Day to pay tribute to the great man who really unified the country. Dr P. Jeevan Jyoti, Principal spoke of the life history of Sardar Vallabhbhai Patel and his contributions for integrating India during post-independence period.

After a short talk of our principal, the NSS volunteers and students of the college took an active part in the “National Unity Oath Ceremony” in the college. Dr. P. Bhanuprakash, NSS Programme officer recited the oath and staff- students repeated it assuring the unity, integrity, and security of the nation. On this occasion, the staff, volunteers and students carried out “Unity walk” from the college campus to Greamspet junction.

Awareness on Permanent Lok Adalat BY Sri N. Ramesh Babu, Chairman

Permanent Lok Adalat, Chittoor

NALSA along with other Legal Services Institutions conducts Lok Adalats. Lok Adalat is one of the alternative dispute redressal mechanisms, it is a forum where disputes/cases pending in the court of law or at pre-litigation stage are settled/ compromised amicably. Lok Adalats have been given statutory status under the Legal Services Authorities Act, 1987. Under the said Act, the award (decision) made by the Lok Adalats is deemed to be a decree of a civil court and is final and binding on all parties and no appeal against such an

award lies before any court of law. If the parties are not satisfied with the award of the Lok Adalat though there is no provision for an appeal against such an award, but they are free to initiate litigation by approaching the court of appropriate jurisdiction by filing a case by following the required procedure, in exercise of their right to litigate.

Awareness Program on Voters

Human Rights Days – 12.12.2023

Department of Political Science **Human Rights Days** conducted on 12-12-2023 .

Children are the foundation of society, and they have to be protected in a very good way because abuse and neglect of children can lead to negative consequences such as; Depression. Developmental Delays. Risk of developing substance abuse during adulthood.

Programme outcomes:

Encourage the vulnerable group of people like women, minorities, youth, poor, disabled person, indigenous people etc. to take part in this event and political decision-making.

STUDY MATERIAL DISTRIBUTION

BY

Dr.P. Jeevan Jyoti, Principal

Brief Report:

The Study Material for first B.Sc botany and Zoology Honours students is very hardly needed because, the degree college syllabus and examination pattern is quite different to their previous course intermediate. More over, in first sem the examination question paper setup is different from descriptive type. The questions are - multiple choice, match the following, fill in the blanks and true or false. Without studying all the syllabus line by line student cannot answer properly so, study material is prepared in such a way to understand in a better way.

Programme outcomes:

The students can answer in a better way in forth coming Mid exams and Sem End Examinations.

08.12.2023 AN

TOPIC : KARTHIKAVANAM & SORROUNDINGS OF CHITTOOR FOREST

7. Brief Report:

Different methods of cuttings:

There are several different methods of propagating plants by cuttings.

Stem cuttings:

This involves taking a section of the stem from the parent plant and rooting it in soil or water. Stem cuttings can be taken from softwood, semi-hardwood, or hardwood stems, depending on the type of plant.

Leaf cuttings:

This involves taking a single leaf from the parent plant and rooting it in soil or water.

Leaf cuttings are commonly used for succulent plants.

Root cuttings:

This involves taking a section of the root from the parent plant and planting it in soil or water until it develops into a new plant.

Cane cuttings:

This involves taking a section of the cane or branch from the parent plant and rooting it in soil or water.

Rhizome cuttings:

Cane cuttings are commonly used for grapevines and some types of berries.

This involves taking a section of the rhizome from the parent plant and planting it in soil or water until it develops into a new plant.

Leaf-bud cuttings:

Rhizome cuttings are commonly used for plants such as iris and ginger.

This involves taking a section of the stem that includes a leaf and a bud, and rooting it in soil or water.

Leaf-bud cuttings are commonly used for plants such as roses and azaleas.

Pot cutting:

Root cuttings are a method of plant propagation that involves taking a section of plant's root and planting it in soil or water until it develops into a new plant.

This method is commonly used for plants with thick roots, such as raspberries, blackberries and some types of shrubs.

8. Programme outcomes:

Students can be able to understand the techniques of different cuttings following in plant propagation and procedures involved in the plant tissue culture in a better way.

5. Brief Report:

Department of Political Science **Awareness Program on Voters** “ Quiz program” conducted on 7-12-2023 for all groups participated in the college

The voting awareness is an article that discusses voting and its importance. It provides information about voting and how to be a responsible voter. A lot of people want to vote, but many are not aware of its need and how to cast it. This is where voting awareness comes into play. The idea of voting awareness is to help people understand the importance of voting. Voting is an important way for voters to control their government. It is a method for citizens to express what they want from their leaders by raising awareness about voting. This will lead to better governance and what everyone wants – a democracy that is free, fair and representative.

6. Programme outcomes:

- To create awareness among the youth and eligible voters to register and vote
- To creating awareness among the people/public/voter regarding the importance of the three-tier local electoral system
- To enhance people’s participation in the voting system
- To create awareness to select effective people centric leaders
- To ensure smooth implementation/execution of our planned activities

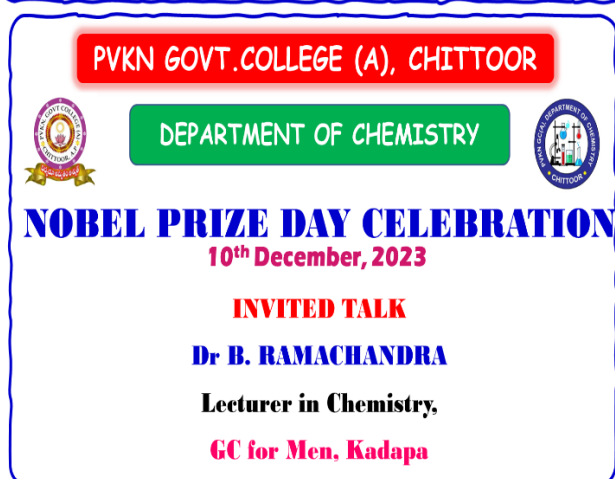

**CELEBRATION OF NOBEL PRIZE DAY-STATE LEVEL CROSSWORD
 PUZZLE COMPETITION 10-12-2023**

7. Aim & Objectives:

- To honour the work of Alfred Nobel and commemorate the anniversary of Alfred Nobel's death.
- To understand and appreciate the contribution of Nobel laureates to society.

8. Brief Report:

The Nobel Prize Day is observed on December 10th of every year, commemorating the anniversary of Alfred Nobel's death. Alfred Nobel, a Swedish inventor, scientist, and philanthropist, established the Nobel Prizes in his will. The prizes are awarded in the fields of Physics, Chemistry, Medicine, Literature, Peace, and Economic Sciences. The Nobel Peace Prize ceremony is held in Oslo, Norway, while the ceremonies for the other categories are held in Stockholm, Sweden.

As a part of observing this day, Dr. P. Bhanuprakash, In-charge, Department of Chemistry, PVKN GC(A), Chittoor addressed the students that "Nobel Prize Day is the day when the Nobel Prizes are awarded to individuals and organizations that have made outstanding contributions in the fields of Physics, Chemistry, Medicine, Literature, Peace, and Economic Sciences". Dr. B. Ramachandra, Assistant Professor, Department of Chemistry, Government College for Men (Autonomous), Kadapa delivered an invited talk on "Nobel Prize Winners-2023 and their contributions" through Google Meet to the students. Later, a state-level crossword puzzle competition was conducted through online mode by the Department of Chemistry. The crossword puzzle competition was conducted on the theme "Nobel laureates and their contributions". 235 students participated in the crossword puzzle competition. The participants who scored more than 50% of the total marks allotted for crossword puzzle competition were given certificates.

9. Outcomes:

- 40 students participated in the invited talk on "Nobel Prize Winners-2023 and their contributions".
- 235 students participated in the crossword puzzle competition and submitted the crossword puzzle through Google form.
- Students gained knowledge on the Nobel Prize Winners-2023 and their valuable contributions.
- Solving crossword puzzles enhances problem solving skills and critical thinking among students.

7. Aim & Objectives:

- To honour the work of Alfred Nobel and commemorate the anniversary of Alfred Nobel's death.
- To understand and appreciate the contribution of Nobel laureates to society.

He explained the importance of Poetry Day and Telugu poetry impact on various movements like Indian freedom fight, Social reforms in India etc. All Students are actively Participated.

NATIONAL SERVICE SCHEME

WORLD WATER DAY (22-03-2024)

Introduction: Water is considered as the elixir of life. World Water Day, held on 22nd March every year since 1993, is an annual United Nations Observance focusing on the importance of freshwater. A core focus of World Water Day is to support the achievement of Sustainable Development Goal 6: water and sanitation for all by 2030. In 2024, the theme of World Water Day is "Water for Peace"

Objectives:

- To celebrate water and raise awareness of the importance of access to safe drinking water.
- To create awareness of the methods to tackle the water crisis.
- To create awareness on the proper utilization of water and its resources.

Brief report: On 22nd March 2023, the NSS unit of the college observed World Water Day by organizing an awareness rally on the "Importance of water conservation and clean water for a healthy life". The awareness rally was started at the college by Dr. P. Jeevan Jyoti, Principal of the college. The rally was carried via Greampet and ended in Godugumuuru. Slogans were also enchanted by students during the rally in English and Telugu to create awareness among pedestrians and commuters about the importance of water conservation. NSS volunteers interacted with households of Godugumuuru and explained about the lifestyle changes that can help in the conservation of water. Dr. P. Bhanuprakash-NSS PO, Lt. A. Ramesh-NCC ANO and more than 70 NSS volunteers have actively participated in the awareness rally.

NATIONAL SERVICE SCHEME

BLOOD DONATION CAMP - (27-03-2024)

Blood Donation Camp Objectives:

- To encourage people to donate blood for the sake of mankind.
- To bring awareness about the need for blood donation yearly to maintain adequate supplies to needy people.
- To encourage young students to become first-time donors.
- To maintain the database and help anyone, in case of any urgent requirement for blood.

Report:

PVKN Govt. College (A), Chittoor has been regularly organizing blood donation camps every year and students and faculty members come forward voluntarily to donate blood. Before the day of the blood donation camp, NSS volunteers go to each class and bring awareness among the students about the need to donate blood every year, to help the needy persons.

The blood donation camp was organized on 27th March 2024 by NSS of PVKN Govt College (A), Chittoor in association with the Indian Red Cross Society,

Chittoor. 40 units of blood were voluntarily donated by students and lecturers of the college. Dr. P. Jeevan Jyoti, Principal, PVKN GC (A) and Sri R. Seshadri Naidu, Secretary, Indian Red Cross Society, Chittoor inaugurated the blood donation camp. Principal opined that blood donation is a great service or contribution to society. Blood donation can save the lives of many persons. The blood donation camp was supervised by Dr. P. Vijay Kumar Reddy, Medical Officer, Indian Red Cross Society, Chittoor, and his team of lab technicians and nurses. All the arrangements are supported by Dr. P. Bhanuprakash-NSS PO, Sri. A. Ramesh-NCC ANO, Sri. P. Navaneeswara Reddy-YRC and NSS volunteers. All the blood donors, supporting staff and NSS volunteers were provided with fruits and refreshments. All blood donors are encouraged by providing certificates for donating blood and saving lives.

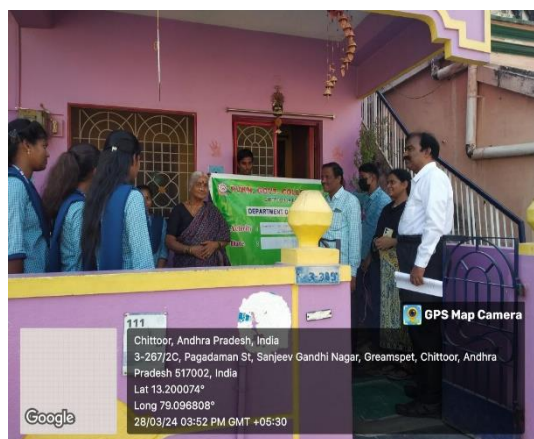

(Volunteers donating blood to help the needy people)

5 DAY NON-RESIDENTIAL TRAINING PROGRAMME

TRAINING OF TRAINERS(TOT)

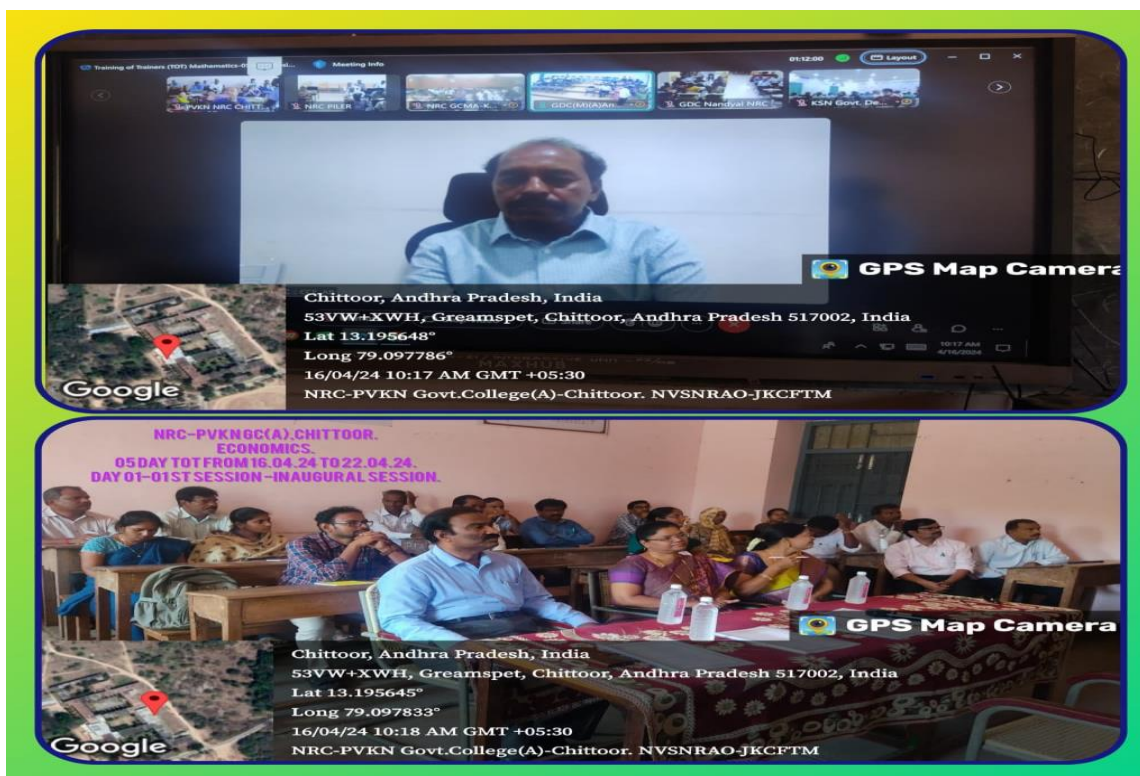

SINGLE MAJOR SUBJECT IN ECONOMICS

16/4/24 to 22/4/24

P.V.K.N, GOVT. COLLEGE (A), CHITTOOR -517002.

Inaugural session:

The inaugural session of the training program was presided by the Dr.P. Jeevana Jyothi Principal, P.V.K.N. Government College (Autonomous) , Chittoor. She gave an inspiring message to all the faculty members who are attended the 5 day Non-Residential Training Programme in “Economics” present in the training programme. She stressed on the need for teachers to update their knowledge as in today's rapidly evolving world, staying updated with the latest advancements and research is imperative for lecturers to provide students with accurate and relevant information.

Dr. Pola Baskar, Commissioner of Collegiate education on a length spoke widely on the role of lecturers in bringing the new education policy into reality. Sir highlighted on the teaching aspect, Community Service Project, and Internships for giving the skills needed for employability. Sir particularly mentioned about the apps in monitoring these aspects from CCE. In this connection discussed the role of TOTs in upgrading the skills of Teachers and how they intern help in better outcome for the students.

Session 2 : Promoting Creativity, Innovation & Entrepreneurship in HEIs by

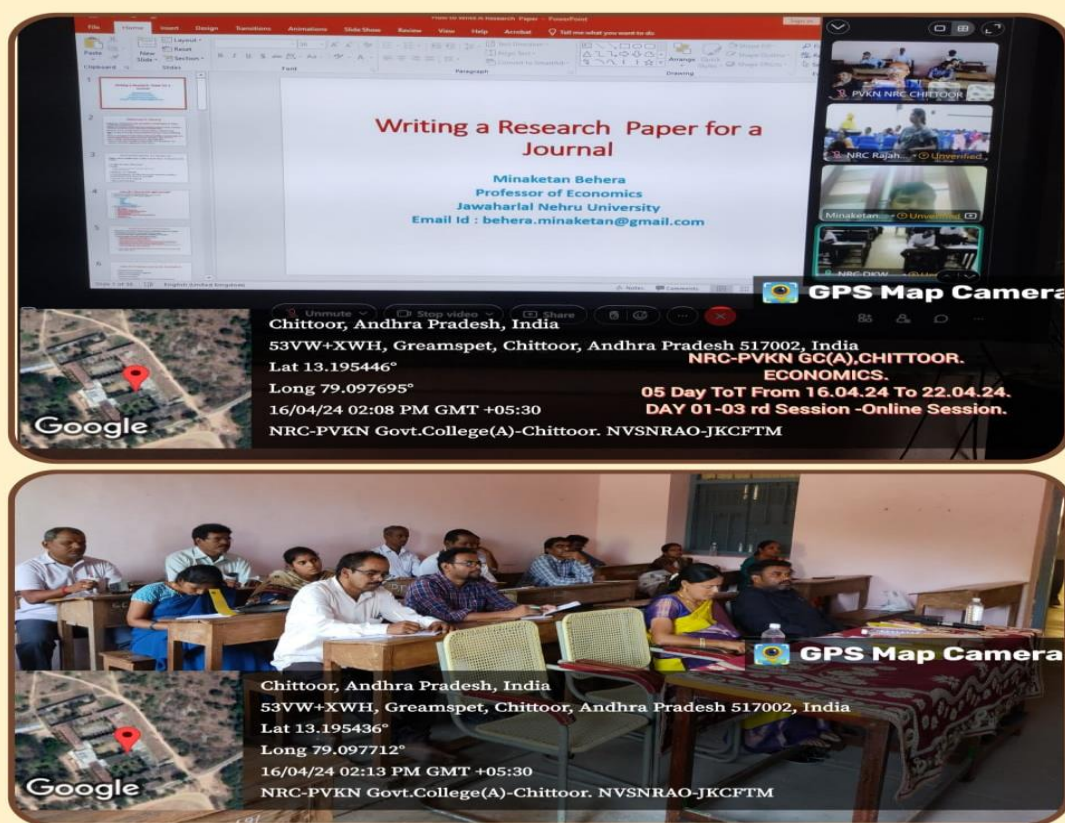

Dr. N. Prasanna sir Professor & Head at Department of Economics, Bharathi Nandan university, Tiruchirappalli

Dr. N. Prasanna sir Professor & Head at Department of Economics, Bharathi Nandan university, Tiruchirappalli took a session on the topic “Promoting Creativity, Innovation & Entrepreneurship in HEIs”. Where he highlighted how creativity leads to innovation and innovation further leads to entrepreneurship. He emphasized the importance of incorporating creative thinking into academic disciplines, enabling students to approach problems innovatively. sir Suggested the development of courses that encourage collaboration and creative problem-solving. Highlighted the role of HEIs in creating supportive ecosystems that nurture innovation and entrepreneurship. Dr. N. Prasanna sir explored the establishment of innovation hubs, maker spaces, and co-working spaces on campuses to facilitate collaboration and idea generation. Sir discussed the significance and scope of providing entrepreneurship education within economics including courses on business fundamentals, startup incubation programs, and mentorship opportunities. He advocated for fostering an entrepreneurial mindset among students, regardless of their field of study.

Session 3: Writing a Research Paper for a Journal by Prof. Minaketan Behera, JNU, Delhi.

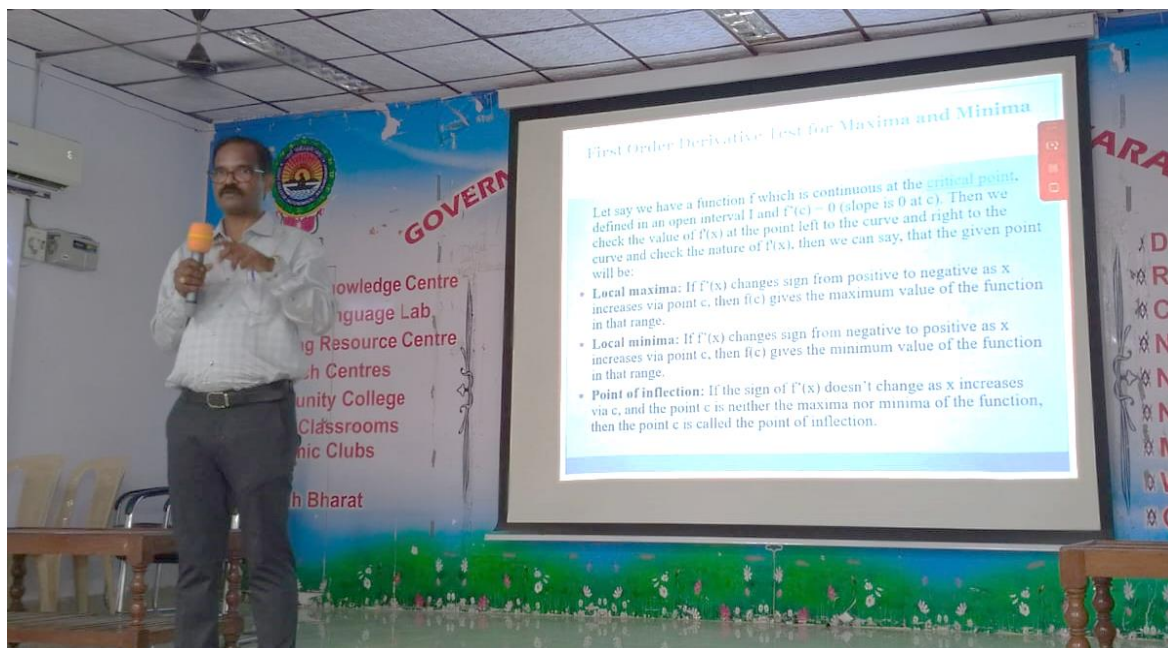

The session, organized by Prof. Minaketan Behera at Jawaharlal Nehru University (JNU), Delhi, aimed to provide guidance and practical tips to researchers on writing research papers for publication in academic journals. Prof. Behera discussed strategies for identifying suitable journals and understanding their submission guidelines. Provided insights into the typical structure of a research paper, including introduction, literature review, methodology, results, discussion, and conclusion. Discussed the importance of maintaining a clear, concise, and coherent writing style in writing the proposal. He Covered the basics of citation provided guidance on citing sources ethically and avoiding plagiarism. Maniketana Behara Provided an overview of the peer review process and its significance in ensuring the quality and credibility of research publications.

Session 4: Application of Differentials and Integrations in Economics

by Dr. D. Nageswara Rao - Key Resource Person and Lecturer in Economics at GDC Seethanagaram

Dr. D. Nageswara Rao delivered an enlightening lecture on Differentials and Integrations, delving into the fundamental concepts and applications of these mathematical tools in and its application in economics. Beginning with limits and differentials, Dr. D. Nageswara Rao elucidated their role in understanding marginal changes in economic variables. He discussed how differentials help economists quantify small changes in quantities such as production, consumption, and revenue, thereby facilitating decision-making processes in various economic scenarios. Transitioning to integrals, Dr. D. Nageswara Rao explored their application in economic modelling and analysis. He highlighted how integrals are utilized to calculate total economic variables over specific time periods or across different regions..By the conclusion of the lecture, attendees gained a deeper understanding of how differentials and integrals serve as indispensable tools for economists,

CAPACITY BUILDING PROGRAMME

DATE : 16-04-2024 TO 27-04-2024

VENUE : University of Hyderabad

Dr. C. CHENNAKESAVULU, Lecturer in Telugu & Lecturer in charge, Department of Telugu selected as KEY RESOURCE PERSON(KRP) for Telugu Subject by CCE. In this connection as per CCE orders Dr. C. CHENNAKESAVULU attended Ten Days Residential Capacity Building Programme in Single Major Subject for Telugu from 16.04.2024 to 27.04.2024 at University of Hyderabad, Hyderabad.

TOT on Single Subject Mathematics (Honours)

Department of Mathematics

Dr.S.Nagendra , P. Kavitha & R .Jayalakshmi attended TOT On Single Subject Mathematics (Honours) from 16-5-2024 to 22-4-2024 at SG Government Degree College, Piler . Dr .S. Nagendra acts as a Key Resource Person in 5 Day non residential TOT Programme to Mathematics Faculty at NRC,SG Government Degree College, Piler.

It is helpful to promote the knowledge and implementation of Single Subject Mathematics (Honours) on classroom settings. It is useful to enable teachers to select, construct and use assessment strategies to monitor student learning.

INTERNATIONAL WORLD BOOK DAY **DEPARTMENT OF LIBRARY & INFORMATION SCIENCE** **23-04-2024**

World Book day was introduced by UNESCO on 23rd April, 1995. World Book Day is an occasion to promote the joy of books and the art of reading where the date was selected by UNESCO to pay homage to renowned literary figures including William Shakespeare.

Every year on this World Book Day UNESCO selects one city as 'Book Capital' to provide books to people as well as students to promote and inculcate reading habit among them.

Dr. P. Jeevan Jyoti, Principal, Dr. C. Meera Saheb, Vice-Principal and K. Kusuma Kumari, Librarian addressed the students on this occasion to motivate and encourage to read different books available in the library.

Out Come:

Students participated and presented their novel ideas on the books.
